## HIGH SCHOOL STUDENT RESOURCES

### SCHOOLGY

Schoology is the main hub for online student learning at Pal-Mac High School. Within Schoology, teachers can add assignments, post discussion questions, and add links to valuable resources. It is especially important to view resources like Castle Learning that can assist with the completion of IB, AP, and/or NYS Regents Testing.

### GOOGLE SUITE

This includes Docs, Slides, Sheets, and Gmail to collaborate and communicate during our long term closure.

### BOOKS & AUDIOBOOKS

Via BOCES, patrons are able to borrow on their phone/tablet/chromebook/etc e-materials using the SORA app. If patrons have an OWWL public library card (or Monroe County library card), they are able to do the same (adding magazines and videos) via Overdrive. Additional information can be found for SORA and OVERDRIVE here: <https://palmachslibrary.weebly.com/ebooks.html>

### DEMOCRAT AND CHRONICLE & USA TODAY

Gannett Media Education has provided the high school community access to both the Democrat & Chronicle and USA Today newspapers at NO COST. The e-Newspaper is an exact digital replica of the print edition of your local newspaper. To access the newspapers, please visit:
